Akcelport industries

ISO 9001 & 45001 Certified Company

AKCELPORT INDUSTRIES, is one of the leading manufacturers of electrical components and assemblies in India, with expertise in **control panel components, switchboard components, wires/ cables and wire management, connection and grounding products, industrial hardwares**.

We are an export based manufacturing company supplying to many mature markets across countries for more than 35 years, which vindicates **our commitment to uncompromised quality**.

We have expertise in processing various metals and industrial plastics to precision.
Metals like Brass, Copper, Steel, SS304, SS316, Aluminium, Beryllium Copper, Spring Steel etc.
Industrial Plastics like Polyamide66, Polycarbonate (PC), PVC, PE, DMC, SMC, Epoxy etc.

MANUFACTURING EXPERTISE :

CNC Machining - CNC Milling / Drilling	CNC Turning
Power Presses	Busbars Manufacturing
Rolling Machines	Shearing Machines
Compression Moulding	Injection Moulding
PVC Extrusion Lines	Conventional Machines
Assemblies Involving Metals and Industrial Plastics	
Grounding, Earthing, Lighting Components	

PRODUCTS :

Copper Lugs and Terminals	Copper Flexible Busbars	Copper Solid / Punched busbars
Copper Wire Braids	Connection Terminals	Earthing Terminals
Earth/ Neutral Bars	Copper Grounding bars	Test Terminal Blocks
DIN Rails	Split Bolts / Line Taps	Cable Glands
PVC Trunking / Ducts	Standoff Insulators	Busbar Supports
Ferruling Tubes	Spiral Bands	Heat Shrink Sleeves
Panel Hinges	Locks	Handles
Earth Rods and accessories	Copper C type Connectors	Copper 8 type Connectors
Copper Tapes	Hex Spacer Bolts	Copper Bushes
Document Holders	Fans	

QUALITY MARKS :

ISO 9001	ISO 45001	RoHS Compliant	CE	UL Compliant

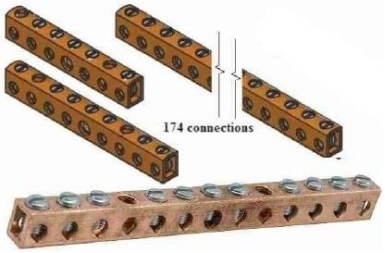

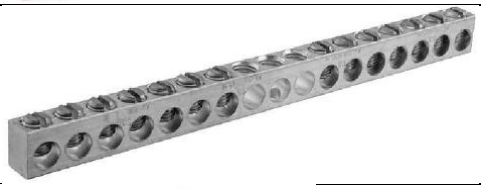

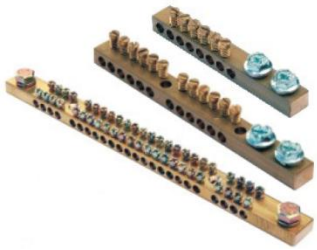

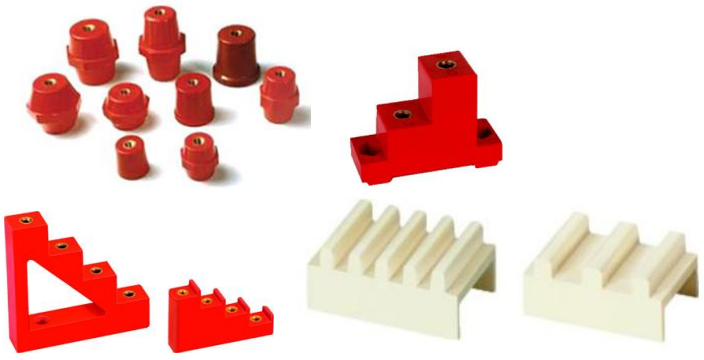

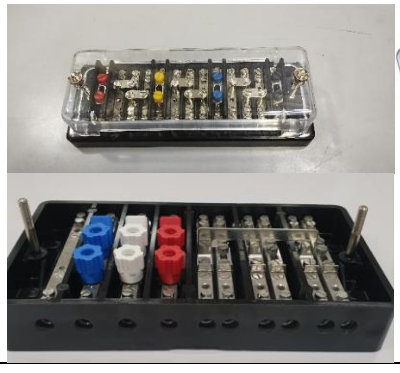

MAJOR COUNTRIES OF EXPORT:

USA and South American Countries – Chile, Mexico, Ecuador, Peru, Colombia, Brazil, Argentina
